

Had to finally retire my favorite steel toe hiking boots.....they've been everywhere man... They've been to....Alaska, Wyoming, Pennsylvania, New Orleans, North Dakota, South Dakota, Utah, and West Virginia. Arkansas, Oklahoma, Kansas, Colorado, Moab, Idaho, and the Louisiana Bayou. Offshore, onshore, New Mexico, Amarillo, Ozona, Farmington and Big Bend. Palestine, Pittsburgh, McAlister, Austin, San Antonio, Opelika, Kenai, and Zapata. Snow caps, sand dunes, swamps, prairies, big thickets, Rocky Mountains, Cook Inlet, and the Gulf of Mexico they've been everywhere man..... Thanks Johnny Cash
